We recognize a Catholic elementary education represents a significant investment on the part of many. The OLV Basilica Parish family also provides significant support, as do various community benefactors, friends and partners who appreciate what an OLV education means for the future of your child ... *our family supports yours!* Additional aid may be available through:

- **BISON Fund Scholarship** – BISON is a WNY donor-supported tuition-assistance program for income-eligible children and families. Please visit the BISON Fund website at www.bisonfund.com for application deadlines and income eligibility. We highly encourage all eligible families to apply for Bison Fund Assistance.
- **Sr. Ellen O’Keefe, SSJ, Angel Fund Award** – Recognizing that additional “unmet need” may still exist, we encourage families to apply for support through this donor-supported fund named in honor of our former principal, Sr. Ellen O’Keefe, SSJ. In order to be eligible for an award, families must first apply to the BISON Fund.
