

The following supplies are needed for various hands on experiences. I am asking for the following to be provided:

**For Pre-K through 2<sup>nd</sup> Grade:**

Headphones - I suggest you use the Kidrox head phones. These will be given back at the end of the year. For new students, they are available at Amazon for about \$15.00. Students who have used them in the past, should bring them in.

**For 3<sup>rd</sup> Grade – 8<sup>th</sup> Grade:**

Headphones or earbuds

Folder

Jump Drive\*

A Notebook

\*Jump Drive: Jump drives or flash drives are available in many places for as little as \$5.00.

I would like to begin using these supplies by the end of September. Please have all supplies brought into class by September 20. I will have a place for each class to store their Head Sets and Jump Drives.

I am excited and looking forward to working with all of our students, and with your support, we will have great year of school.
