**Hints:** 1. The pouch is a **student toolbox**. Almost nothing is a greater time waster in class than a student who does not come prepared to class with the materials requested. The pouch will contain basics for each class, which are similar. See - What to keep in my pouch.

2. **PARE DOWN POUCHES** to hold essentials. Maybe one extra pen/pencil, not multiples, one set of colored pencils or crayons ; Keep multiples or more advanced materials in the shoebox.

3. Check your student's pouch frequently and be sure he/she has the materials needed at all times. Do an inventory once a month. Be sure the pouch is not damaged.

4. Bring **3 hole punched, lined paper** to every class every day. Find a way to keep a supply in your locker for easy access. In most cases your teachers will set up folders /binders that will contain the paper. Keep it supplied.

**What to keep in your pouch at all times!** (Extra's in the shoebox for your locker!)

- 2 black or blue pens
- 2 sharpened #2 pencils with eraser (sharp always)
- 2 red 2 green pens
- 5-10 index cards in a small baggie in your pouch (your teachers MU let you know when you need more on a specific day)Keep ample supply in shoebox in locker.
- School glue
- hand held hole punch
- small scissors
- Color media (1 basic set of crayons or colored pencils, or low odor markers)
- small scissors
- 1 highlighter

Student and Parent are asked to **CHECK** the **POUCH** frequently. Repair, Replace, Sharpen before classes start . **DO NOT OVERFILL**. Students will always be prepared if you use this advice.
