

## Supply List Art (grades 1-8)

white glue  
2 glue sticks

crayons (24pk minimum)  
scissors  
2-4 black sharpies – fine point (not extra fine) (we use these a lot so please buy extra) **ONLY GRADES 3-8**  
colored sharpies –fine point (not extra fine) (basic colors are fine, but you may get others) **ONLY GRADES 3-8**  
watercolor paints  
pencils  
erasers  
hand held pencil sharpener

\*Some students like to bring in special supplies in addition to what is on the list (ex. Metallic colored pencils, special drawing pencils, compasses etc.). This is fine. We do a tremendous amount of drawing and some students like to get very creative.

\*Please stock up on art supplies when they are on sale during the summer. Students tend to run out and/or lose supplies throughout the year.

\* It also helps if students have some supplies at home for when they take work with them. It's difficult for kids to have to carry their art boxes around. It's even more difficult to remember to bring them back to school.  
**PUT YOUR NAME ON EVERYTHING!!!!!!**

\*\*\*Every student must have their own supplies that stay in the art room.

\*\*\*Supplies need to be brought in by the first full week of school.
