

## Third grade supply list

Dear Parents,

Below is a list of supplies your child will need for the 2016-17 school year. Please review basic math facts (addition, and subtraction) throughout the summer. It is expected that addition and subtraction facts are mastered before entering 3<sup>rd</sup> grade. Our main focus throughout 3<sup>rd</sup> grade will be learning our multiplication and division facts. It is also important for your child to continue reading books during the summer months. Please practice cursive writing throughout the summer. I highly recommend the Summer Bridge Books 2<sup>nd</sup> to 3<sup>rd</sup> grade to be worked on during the summer months. These books can be found at Barnes and Noble.

Enjoy your summer. I look forward to working with you and your child.

1. 4 book covers, please non - stick. If stretch covers are to be used please use extra large, this prevents the bindings from breaking.
2. Pocket folders
  - Green labeled science
  - Red labeled math
