

Grading Policy

Mrs. Lauren Berowski

Category Break Down:

Tests and Papers: 40% (Students will be given at least one week notice for tests, and we will always review in class. However, it is the student's responsibility to come to me for additional help)

Quizzes and Projects: 30% (Quizzes will typically be announced, however unannounced quizzes do count in this category as well)

Homework and Classwork: 20%

Class Participation and Effort: 10%

Homework and Classwork:

Students will be graded on homework and classwork on a 10 point scale.

All 10 points will be awarded if the assignment is complete, on time, and effort is present.

Only 7 points will be awarded if the assignment is mostly complete, on time, and effort is present.

Only 5 points will be awarded if half of the assignment is complete and on time, but there is limited effort present.

Only 3 points will be awarded if the assignment is minimally complete and on time, but there is limited effort present.

No points will be awarded if the assignment is incomplete, blank, or late (see late work policy below).

Late Work:

Late work will not be accepted unless the student has been absent. In the event of an absence, the student will have the amount of days they were out to make up their missing work. For example, if a student was out for two days, they will have two days to make up their work. Otherwise, they will receive a 0.
