Grading Policy

I am hoping to make Music class a fun, educational and stress relieving class for the students. But, grades are required and will be determined as such:

Grades Prek-2: They will receive a score of ranging from 1- 4

4 - Student participates fully, is prepared and tries their best at all times.

3 – Student participates, is prepared but needs prompting to do their best

2 - Student partly participates, not fully prepared and may have behavior warnings

1 – Student has required multiple disciplinary actions and does not participate

Grades 3-8: Grades will NOT be based on their natural musical ability, but rather on their participation, willingness to learn, effort, assignment completion and small quiz grades.

75% -Participation and Effort

25% - Assignment and Quiz (there will be one/two written assignments and one quiz each quarter)
