*Label all supplies before sending them to school. If you can't make the supply drop off day, supplies should be in school by the first full Monday.

**Please do not send in unnecessary supplies due to limited space. No individual sharpeners, "fun" colored pens, character pencils/erasers. Any extra supplies will be sent home.

***REMINDER: make sure multiplication facts are memorized by the beginning of fourth grade. Practice facts 1-12 daily using flashcards or simply writing them out. Multiplication fact quizzes will begin the first full week of school. Read all summer to keep skills/vocabulary sharp!
